

## **Grendon Underwood Parish Council 24/Nov/2020**

### **Saye and Sele Foundation Trustee Report**

There is nothing new to report since the last PC meeting except that the Foundation has reimbursed GUPC the cost incurred when bailiffs enforced removal of travellers from the Saye and Sele field in GU.

### **Village Hall Trustees Update**

Since the last PC meeting the hall had to close down again following HMG imposition of a 4 week national lockdown in England.

Trustees had agreed that Mr McCrorie would hold free first aid courses in the hall at no charge. Unfortunately, and because of the lockdown, concerns regarding Covid and distractions at this time of year this has been postponed until the new year.

A Thames Water economy inspection took place on 2/11/20 when various economy measures were installed free of charge.
