

Grendon Underwood Parish Council 27/Oct/2020

Saye and Sele Foundation Trustee Report

There is nothing new to report since the last PC meeting.

Village Hall Trustees Update

Since the last PC meeting the hall has gradually been reopening with Karate classes and, from November, dance classes. These previously were taking part at the school but it is understood that their hall is closed until further notice,

Trustees are in communication with Mr McCrorie about him holding free first aid courses in the hall.

A FOC Thames Water inspection to detect any leaks has been arranged for 2/11/20.
