

Grendon Underwood Parish Council 28/July/2020

Saye and Sele Foundation Trustee Report

There has been no meeting of the foundation since the last PC meeting and there is nothing to report.

GUVH Trustee report

Since the last PC meeting, the football club has reopened the bar area only, for four hours on Friday evenings, with appropriate Covid 19 precautions in place which follow the “Action With Communities in Rural England (ACRE)” “Information sheet for Reopening Village and Community Halls Post Covid 19 Closure” Issue 2 ,referred to in correspondence from the Hall Insurers.

The ACRE guidelines and the risk assessment prepared by the football club have been forwarded to the Scouts and the Puppy School owner who have indicated a desire to restart at least some of their activities.

Six new picnic benches have been purchased, assembled and installed on the grass community area and the large goat willow at the back of the hall has been removed.
