## Concerned about cold callers on your doorstep?

### If in doubt keep them out!

If uninvited people show-up at your door trying to pressure you for information, money, to sell you things or persuade you to get work done on or in your home, it can be worrying.

Some people in Buckinghamshire and Surrey who are susceptible to frequent unsolicited or nuisance callers at their door, may be able to get a door camera for free.

### If uninvited people show up at your door...

- Don't feel obliged to talk to them.
- If you do chat, don't agree to anything on the spot.
- Get quotes from other companies before deciding if work needs doing.
- Never pay cash on your doorstep.
- Report scammers to the authorities so they can't cheat others.

### How does it work?

The video camera is triggered by someone coming to your door, and sends an alert to your smartphone, that shows you what is happening.
